DEPARTMENT OF STATE  
LANSING  
M E M O R A N D U M

DATE: January 20, 2006

TO: Circuit, District, Family and Municipal Court Judges, County Clerks, Court Administrators, Clerks of the Court and Registers

FROM: Sandy Aguirre and Peggy Leece, Court Liaisons, Michigan Department of State

SUBJECT: Open FAC/FCJ/FCPV Purged Report

The Department of State has changed the look of the "OPEN FAC/FCJ/FCPV PURGED AS OF" report. The report heading will now read "OPEN FACS PURGED AS OF..."

In order for this report to be stored and accessed more readily, the heading was changed, as the program would only allow so many characters/numbers in the header. The rest of the report is exactly the same.

The Abstract Processing Unit will be attaching this memo to the new reports for the next few mailings

If you have any questions, please contact the Abstract Processing Unit at 517.322.1598.
